Dear Hardin-Simmons Alumni and Friends,

Explore the Galapagos Islands with the Traveling Range Riders during this exhilarating 8-day trip. Designated the first UNESCO World Heritage Site in 1978, the Galapagos Islands have been described as a “unique living museum and showcase of evolution.” They are home to a fascinating array of wildlife inhabiting an unspoiled ecosystem, living in harmony with their human visitors.

This exciting journey features a day of guided touring in Quito plus an intimate cruise through the archipelago with up-close access to endemic species. Expert naturalists will conduct you through the wonders of this national park, whale sanctuary, and marine reserve.

Accommodations for this adventure are aboard the Isabela II, a 40-guest vessel with spacious cabins, local cuisine, and a staff dedicated to ensuring both your comfort and maximum enjoyment of this truly extraordinary destination and its diverse inhabitants. And sailing by small ship allows for flexibility in the itinerary to maximize wildlife viewing, as well as access to exclusive ports.

Stateroom availability is limited. With significant savings of up to $800 per couple, we anticipate this tour will fill quickly, so be certain to secure your spot today.

Reserve today online at hsutx.orbridge.com, by phone at 866-639-0079, by returning the enclosed reservation form, or by contacting me directly.

What Guests Are Saying...

This was a superb itinerary and was spectacularly organized. We loved the program. We would like to travel to many places, but we will come back to Orbridge in the future.
~ Linda E., Hanover, NH

The Galapagos Islands trip was a bucket list, anniversary trip for me and truly was the trip of a lifetime. The program is polished, professional, educational, active, engaging, and incredibly well organized.
~ Knox B., Greensboro, NC

I can't imagine coordinating a trip of this caliber myself. The hotels were gems and the activities were perfectly paced. I never felt rushed or that an activity was a waste of time. The attention to detail and the knowledge of the guides exceeded my expectations.
